## NEWS BY TO-DAY'S MAIL.

Mr. Davis has so far recovered from the attack of erysipelas as to be able to resume his accustomed walks daily.

Mr. Henry A. Wise has gone to the Eastern shore of Virginia.

The express train on the Pennsylvania railroad coming east yesterday morning, when near Duncannon, met with a dreadful accident, by which three persons were instantly killed.

An insurrection at Jerenico and Corral, in Hayti, which was intended to aid the rebels at Cape Haytien, has been promptly and effectually suppressed by the Government forces.

The New York Express states that the steamer Montano, which sails to-morrow for Rio Janeiro, takes but Minister Washburne to Paraguay, and also a number of Southerners to Brazil. The Southerners go for information prior to effecting a permanent settlement for themselves and others from the South.

The Secretary of the Treasury is now paying the Texas indemnity bonds, so called, which were issued by the United States to the State of Texas under the act of September 9, 1850, when such bonds are presented by loyal holders, with evidence that they have passed only through the hands of loyal citizens.

The Baltimore Union Club have purchased the splendid residence of the late Robert A. Taylor, corner of Charles and Franklin streets, and will soon remove from their rooms, near St. Paul's Church, into it. They paid \$38,000 for it, and will expend \$15,000 more in repairs. It is supposed that Gen. Hancock will permit the Maryland Club and Allston Association, which has been closed for three years in consequence of the secession sentiments of its members, to open again soon "under loyal restrictions."

Lieut. O'Brien, of the Freedmen's Bureau, who has charge of the Government farms in Maryland, represents the negro schools there to be in a flourishing condition. There are two schools in operation on the farms, with one hundred and twenty scholars.

The Navy Department has not detailed the steamer Colorado to bring John Bright to this country upon the invitation of President Johnson, as reported in some of the English journals.

Col. Luddington yesterday sold twenty-seven frame buildings at Annapolis Junction, comprising those known as Rulison U. S. A. General Hospital, for \$1,573.

## WASHINGTON ITEMS.

It is stated that Messrs. Rittenhouse, Fowler & Co. have consented to receive donations to aid the family of the prisoner Wirz.

One company of Provisional Veteran Reserve Cavalry, under the command of Captain N. S. Hill, will hereafter compose the President's body-guard.

Hon. E. M. Stanton, Secretary of War, is expected to return to the city to-day.

Eighty-five colored people, who had no permanent employment in the city, part of whom were direct from Richmond, have been sent to Providence, R. I., by the Bureau, where homes and labor have been provided for them. Female servants are in demand there.

An authoritative statement of the annual income of the citizens, shows that George W. Riggs is the heaviest contributor to the internal revenue fund, paying tax on an income of \$67,642; H. D. Cooke, of Jay Cooke & Co., returns an annual revenue of \$62,455; H. C. Fahnestock of \$55,753.

Charles Palmer, esq., who was delegated by the loyal citizens of Richmond to invite the President and his Cabinet to that city, called upon Mr. Johnson yesterday. The President is said to have expressed the hope that he could avail himself of the invitation at an early day.

A message from MacCrealisburg dated the 13th ultimo, says the Russian-American Overland Telegraph Company's bark Clara had arrived at Sitka, June 14, making the voyage from New York in one hundred and thirty-five days, touching at the Cape de Verde Islands for water. She brought out on deck the small propeller steamer Lizzie Horner, for the use of the expedition on the interior waters. Everything arrived in good order, and all on board were well.
